

Come join our big Kloof cleanup

EDITOR - In response to the letter, "Kloof is a Disgrace" from Disgruntled, Kloof, dated 8 October:

I fully agree with Disgruntled. I went down to the area she or he described. The railway line area from the foot bridge to St Agnes Church is really disgusting and litter strewn. It is a shame that people have such disregard for their surrounding area that they would treat it with such disrespect.

The Democratic Alliance Ward 10 branch is organizing a cleanup of the area and request that anyone and everyone who is

as disgusted as we are, to join us on Saturday 31 October from 9am to 11am to help with the cleanup.

We will be meeting at the St Agnes Church parking at 9am, the address is 53 Abelia Road, Kloof. Everyone is welcome, and if any company would like to donate water for the volunteers please contact me.

Anyone who wants more information or would like to contact me can do so via e-mail at rick@ward10.za.com or call me at 073 418 6996.

Rick Crouch - DA chairman Gillitts
