OCTOBER 30, 2009

DA orders clean-up

A mammoth clean-up is on the cards for the section of railway line from the foot bridge to St Agnes Church.

The area is strewn with litter and the Ward 10 branch of the Democratic Alliance has decided something needs to be done to clean the area up.

The branch has organised a clean-up of the area and is appealing to residents to join in and lend a hand.

The clean-up takes place on Saturday, 31 October from 9am to 11am.

Everyone will meet at St Agnes Church Abelia Road parking lot at 9am

All are welcome and any companies who wish to sponsor the event can contact Rick Crouch, DA Ward 10 branch chairman at rick@ward10.za.com or on 073-418-6996.
